

Fill in the gaps

25 years of my life and still	I pray every single day
I'm trying to get up that great big hill of hope	For a revolution
For a destination	So i cry sometimes when i'm lying in my bed
I realized (1) when i (2) i should	To get it all out what's in my head
That the world was made up of this	Then i start feeling a little peculiar
Brotherhood of man	So i wake in the morning and i (5) outside
For whatever that means	I (6) a deep breaththen i get (7) high
So i cry somethimes when i'm (3) in bed	Then i scream (8) the top of my lungs
To get it all out what's in my head	What's goin' on
Then i start feeling a little peculiar	And i say hey
So i (4) in the morning and i step	And i (9) hey what's goin' on
Outside i take deep breath	And i say hey
I get real high	I said hey what's goin' on
Then i scream from the top of my lungs	And i say hey
What's goin' on	And i said hey what's goin' on
And i say hey	And i say hey
And i say hey what's goin' on	I said hey what's goin' on
And i say hey	25 years of my life and still
I said hey what's goin' on	I'm trying to get up that great big (10) of hope
And i try, oh my god do i try	For a destination
I try all the time	
In this institution	
And i pray, oh my god do i pray
