T Belong To You by Lenny Kravitz

You are the flame in my heart

And you

Fill in the gaps

You belong to me too

You light my way in the dark		You (5) my life complete
You are the ultimate star		You make me feel so sweet
You lift me from up above		Oh I belong to you
Your unconditional love		I belong to you
Takes me to paradise		And you, you
I belong to you		You belong to me too
And you		You make my life complete
You belong to me too		You make me feel so sweet
You make my (1)	complete	Oh I belong to you
You make me (2)	so sweet	I belong to you
You make me feel so divine		And you, you
Your soul and mind are entwined		You belong to me too
Before you I was blind		You make my life complete
But since I've opened my eyes		You make my life complete
And with you there's no disguise		You make me (6) so sweet
So I could open up my mind		Oh I belong to you
I always loved you from the start		I belong to you
But I could not figure out		And you, and you
That I had to do it everyday		You belong to me too
So I put away the fight		You make my life complete
Now I'm gonna live my life		You make my (7) complete
Giving you the (3) in every way		You (8) me feel so sweet
I (4) to you
