

And you

Fill in the gaps

You are the (1) in my heart	You belong to me too
You light my way in the dark	You make my (11) complete
You are the ultimate star	You make me feel so sweet
You (2) me (3) up above	Oh I (12) to you
Your (4) love	I (13) to you
Takes me to paradise	And you, you
I belong to you	You belong to me too
And you	You (14) my life complete
You (5) to me too	You (15) me (16) so swee
You make my (6) complete	Oh I belong to you
You make me feel so sweet	I belong to you
You make me feel so divine	And you, you
Your soul and mind are entwined	You (17) to me too
Before you I was blind	You make my life complete
But (7) I've opened my eyes	You make my life complete
And with you there's no disguise	You (18) me feel so sweet
So I could (8) up my mind	Oh I (19) to you
I (9) loved you from the start	I belong to you
But I could not figure out	And you, and you
That I had to do it everyday	You (20) to me too
So I put away the fight	You (21) my life complete
Now I'm gonna (10) my life	You make my life complete
Giving you the most in every way	You (22) me feel so sweet
I belong to you
