# Turn Off The Light by Nelly Furtado

## Fill in the gaps

t's getting so (1) inside this bed	That I can do it on my own without my heart on my sleeve
Don't know if I should lick my wounds or say woe is me	I'm running, I'm running, (7) up with me life
nstead	Or is it love that I'm looking to find?
There's an aching inside my head	It's all in me, can't you see, why can't you
t's telling me you're better off alone	Why can't you see, it's all in me, yeah
After midnight morning will come	All in me, yeah
And the day will see if you will get some	Turn off the light, turn off the light
They say that girl ya know she act too tough, tough, tough	Turn off the light, turn off the light
Well, it's till I turn off the light, turn off the light	I say follow me, follow me, follow me down, down, down,
They say that girl you know she act so rough, rough, rough	down
Well, it's till I turn off the light, turn off the light	Till you see all my dreams
And I say follow me, follow me, follow me down, down, down,	Not everything in this magical world is quite what it seems
down	Turn off the light, turn off the light
Till you see all my dreams	Turn off the light, turn off the light
Not everything in this magical world is quite what it seems	I say follow me, follow me, follow me down, down, down,
looked above the other day	down
Cause I (2) I am good and ready for a change	Till you see all my dreams, see all my dreams
live my life by the moon	Follow me, follow me, (8) me down, down,
f it's high play it low, if it's harvest go slow and if it's full then	down, down
go	Till you see all my dreams, see all my dreams
But after midnight morning will come	Turn off the light, turn off the light
And the day will see if you're gonna get some	Turn off the light, (9) off the light
They say that (3) ya know she act too tough,	Turn off the light, (10) off the light
ough, tough	Turn off the light, turn off the light
Well, it's till I turn off the light, turn off the light	
They say (4) (5) you know she act so	©NELSTAR PUBLISHING INC
rough, rough	
Well, it's till I turn off the light, turn off the light	
And I say follow me, follow me, follow me down, down, down,	
down	
Till you see all my dreams	
Not everything in this magical world is quite what it seems	
'm searching for things that I just cannot see	
Why don't you, don't you, don't you come and be with me	
(6) to be cool with me, want to believe
