

Fill in the gaps

Bury all your (1) in my skin	Is that supposed to be enough?
Come away with innocence and leave me with my sins	I only wish you weren't my friend
The air (2) me still (3)	Then I could hurt you in the end
(4) a cage	I never (16) to be a saint
And (5) is (6) a	Ooh, my own was banished (17) ago
(7) for what resembles (8)	It (18) the death of (19) to let you go
again	So break yourself against my stones
So if you love me let me go	And spit your (20) in my soul
And run away before I know	You never needed any help
My heart is just too dark to care	You sold me out to save yourself
I can't destroy what isn't there	And I won't listen to (21) shame
Deliver me into my fate	You ran away, you're all the same
If I'm alone I cannot hate	Angels lie to keep control
I don't deserve to have you	Ooh, my (22) was punished (23) ago
Ooh, my smile was (9) long ago	If you still care don't ever let me know
If I can change I hope I never know	If you still care don't (24) let me know
I still (10) your letters to my lips	
And (11) in parts of me that	
savor every kiss	
I couldn't face a life without (13) lights	
But all of that was ripped apart when you	
(14) to fight	
So save your breath, I (15) not care	
I think I made it very clear	
You couldn't hate enough to love
