The smell of your skin lingers on me now	We'll play jacks and Uno cards
You're probably on your flight back to (1) home	I'll be your best friend and you'll be mine
town	Valentine
I need some (2) of my own protection, baby	Yes, you can hold my hand if you want to
To be with (3) and center	'Cause I want to hold yours too
Clarity, peace, serenity	We'll be playmates and lovers
I hope you know, I hope you know	And share our (9) worlds
That this has nothing to do with you	But it's time for me to go home
It's personal, myself and I	It's getting late, dark outside
We've got some straightenin' out to do	I need to be with myself, and center
And I'm gonna miss you like a child misses their blanket	Clarity, peace, serenity
But I've got to get a move on with my life	I hope you know, I hope you know
It's time to be a big girl now	That (10) has nothing to do with you
And big girls don't cry	It's personal, myself and I
Don't cry, don't cry, don't cry	We've got some straightenin' out to do
The path that I'm walkin', I must go alone	And I'm gonna miss you like a child misses their blanket
I must take the baby steps 'til I'm full grown, full grown	But I've got to get a move on with my life
Fairy tales don't always (4) a (5)	It's time to be a big girl now
ending, do they?	And big girls don't cry
And I foresee the dark (6) if I stay	Don't cry, don't cry, don't cry
I hope you know, I (7) you know
