I Love You by Celine Dion

I must be crazy now
Maybe I dream too much
But when I think of you
I long to feel your touch
To whisper in your ear
Words that are old as time
Words only you would hear
If only you (1)_____ mine
I wish I could go back to the (2)_____ first day I saw you
Should've made my move (3)_____ you looked in my eyes
'Cause by now I (4)_____ that you'd (5)_____ the way that I do
And I'd (6)_____ these words as you'd lie here by my side
I love you, (7)_____ say
You love me too, these three words
They could (8)_____ our lives forever
And I promise you that we will always be together
Till the end of time
So today, I (9)_____ find the courage
(10)_____ inside
Just to walk right up to your door
But my body can't move when I (11)_____ get to it
Just (12)_____ a thousand times before
Then without a word he (13)_____ me this letter
Read I hope (14)_____ finds the way into your heart, it said
I love you, please say
You love me too, (15)_____ three words
They could change our lives forever
And I (16)_____ you that we (17)_____ always be together

Till the end of time
Well maybe I, I need a little love yeah
And maybe I, I (18)_____ a little care
And maybe I, maybe you, maybe you, maybe you
Oh you need (19)_____ just to hold you
If you do, just reach out and I'll be there
I love you, please say
You (20)_____ me too
Please say you (21)_____ me too
Till the end of time
These (22)_____ words
They could (23)_____ our lives forever
And I promise you that we will always be together
Oh, I (24)_____ you
Please say you love me too
Please please
Say you (25)_____ me too
Till the end of time
My baby
Together, together, forever
Till the end of time
I love you
I will be your light
Shining bright
Shining through your eyes
My baby
