## With A Little Help From My Friends by The Beatles

(Lennon/McCartney)		I want somebody to love
Billy Shears		(Would you believe in a love at first sight?)
What would you think if I sang out of tune		Yes I'm certain that it happens all the time
Would you stand up and walk out on me?		(What do you see when you turn out the light?)
Lend me your ears and I'll (1) you a song		I can't tell you, but I know it's mine
And I'll try not to sing out of key		Oh I get by with a little (4) from my friends
Oh I get by with a little help from my friends		Mm I get high with a little help (5) my friends
Mm I get high with a little help from my friends		Oh I'm going to try with a little help from my friends
Mm going to try (2) a little help from my friends		(Do you need anybody?)
What do I do when my love is away?		I just need somebody to love
(Does it worry you to be alone?)		(Could it be anybody?)
How do I feel by the end of the day?		I want somebody to love
(Are you sad because you're on your own?)		Oh I get by (6) a little (7) from my
No I get by with a little help from my friends		friends
Mm I get high with a little help from my friends		Mm going to try with a little help from my friends
Mm (3)	to try with a little help from my friends	Oh I get high with a little help from my friends
(Do you need anybody?)		Yes I get by with a little help from my friends
I need somebody to love		With a little help (8) my friends
(Could it be any	body?)
