With A Little Help From My Friends by The Beatles

(Lennon/McCartney)	I want somebody to love
Billy Shears	(Would you believe in a love at first sight?)
What would you think if I sang out of tune	Yes I'm certain that it happens all the time
Would you stand up and (1) out on me?	(What do you see when you (5) out the light?)
Lend me your (2) and I'll sing you a song	I can't (6) you, but I know it's mine
And I'll try not to sing out of key	Oh I get by with a little help (7) my friends
Oh I get by with a little help from my friends	Mm I get high with a little help from my friends
Mm I get high with a little help from my friends	Oh I'm going to try with a little help from my friends
Mm going to try with a (3) help from my	(Do you need anybody?)
friends	I just need somebody to love
What do I do when my love is away?	(Could it be anybody?)
(Does it worry you to be alone?)	I want (8) to love
How do I feel by the end of the day?	Oh I get by with a little help from my friends
(Are you sad because you're on (4) own?)	Mm going to try with a little help from my friends
No I get by with a little help from my friends	Oh I get high with a little help from my friends
Mm I get high with a little help from my friends	Yes I get by with a little help from my friends
Mm going to try with a little help from my friends	With a little help (9) my (10)
(Do you need anybody?)	
I need somebody to love	
(Could it be anybody?)
