## Fill Can't Help Falling In Love by Elvis Presley

## Fill in the gaps

(Weiss, (1) and Creatore)
Wise men say (2) fools rush in
but I can't help falling in love with you
Shall I stay
would it be a sin
If I can't help (3) in love with you
Like a river flows surely to the sea
Darling so it goes
some things are meant to be
take my hand, take my whole life too
for I can't help falling in love (4) you
Like a (5) flows surely to the sea
Darling so it goes
some things are meant to be
take my hand, take my whole life too
for I can't (6) falling in love (7) you
for I can't (8) falling in love with you
