

Fill in the gaps

At first, I was afraid, I was petrified	Go on now, go, walk out the door, just turn (9)
Kept thinking, I (1) never live	now
(2) you by my side	'Cause you're not welcome anymore
But then I spent so many nights thinking, how you did me	Weren't you the one, who tried to break me with goodbye
wrong	Did you think I'd crumble? Did you think I'd lay down and die?
And I grew strong and I learned how to get along	Oh, no, not I, I will survive
And so you're back from (3) space	Oh, as long as I know how to love, I know I'll stay alive
I just walked in to find you here with that sad look upon	I've got all my life to live, I've got all my love to give
(4) face	And I'll survive, I will survive, oh
I should have changed that stupid lock	Go on now, go, walk out the door, (10) turn around
I should have made you leave your key	now
If I'd known for just one second you'd be back to bother me	'Cause you're not welcome anymore
Go on now, go, walk out the door, just turn around now	Weren't you the one, who tried to break me with goodbye
'Cause you're not welcome anymore	Did you think I'd crumble? Did you think I'd lay down and die?
Weren't you the one, who tried to hurt me with goodbye?	Oh, no, not I, I will survive
Did you think I'd crumble? Did you think I'd lay down and die?	Oh, as long as I know how to love, I know I'll stay alive
Oh, no, not I, I will survive	I've got all my life to live, I've got all my love to give
Oh, as long as I know how to love, I know I'll stay alive	And I'll survive, I will survive, I will survive
I've got all my life to live, I've got all my love to give	
And I'll survive, I will survive, hey, hey	©BIBO MUSIC PUBLISHERS
It took all the strength I had not to fall apart

And I spent, oh, so many nights (5)	
(6) sorry for myself	
I used to cry but now I (7) my head up high	
And you see me, somebody new	
I'm not that chained up little person still in love with you	
And so you felt like dropping in and (8) expect me	
to be free	
But now I'm saving all my loving for someone who's loving me
