

Fill in the gaps

don't want this (1) to ever end	With everything I won't let this go, these words are my heart
Where everything's nothing without you	and soul
'll wait here forever just to, to see you smile	I'll hold on to this moment you know, 'cause I'll bleed my heart
Cause it's true, I am nothing without you	out to show
Through it all, I made my mistakes	And I won't let go
stumble and fall, but I mean these words	In front of (6) eyes, it falls from the skies
want you to know	When you don't know (7) you're looking to find
With everything I won't let (2) go, these words are	In front of your eyes, it falls from the skies
my (3) and soul	When you just never know what you will find (what you will
'II (4) on to this moment you know, 'cause I'll bleed	find)
my heart out to show	I don't want this moment to ever end
That I won't let go	Where everything's (8) without you
Thoughts read unspoken, forever in doubt	I (9) you to know
Pieces of memories fall to the ground	With everything I won't let this go, these words are my heart
know what I didn't have so, I won't let this go	and soul
Cause it's true, I am nothing without you	I'll hold on to this moment you know, 'cause I'll bleed my heart
All the (5) where I walked alone, with	out to show
nowhere to go	that I won't let go (I want you to know)
nave come to an end	With everything I won't let this go, these words are my soul
want you to know	I'll hold on to this moment you know, 'cause I'll bleed my heart
	out to show
	that I won't let go
