

## Fill in the gaps

I tried to be perfect	I'd say all the words (/) I know
But nothing was (1) it	Just to see if it would show
I don't (2) it makes me real	That I'm trying to let you know
I'd thought it'd be easy	That I'm better off on my own
But no on believes me	(On my own!)
I (3) all the (4) that I said	I tried to be perfect
If you believe it's in my soul	It just wasn't worth it
I'd say all the words that I know	Nothing could ever be so wrong
Just to see if it would show	It's hard to believe me
That I'm trying to let you know	It never gets easy
That (5) better off on my own	I guess I knew that all along
This place is so empty	If you believe it's in my soul
My thoughts are so tempting	I'd say all the words that I know
I don't know how it got so bad	Just to see if it would show
Sometimes it's so crazy that (6) could save	That I'm (8) to let you know
me	That I'm (9) off on my own
But it's the only thing that I have	
If you believe it's in my soul
