He left no time to regret, kept his **** wet	We only (6) goodbye with words
With his same old safe bet	I died a hundred times
Me and my head high and my (1) dry	You go back to her
Get on without my guy	And I go back to
You went (2) to what you knew so far removed	Black, black, black
From all that we went through	Black, black, black
And I tread a troubled track, my odds are stacked	I go back to
I'll go back to black	I go back to
We only said goodbye with words	We (7) said goodbye (8) words
I died a hundred times	I died a hundred times
You go (3) to her	You go back to her
And I go back to, I go back to us	And I go (9) to
I love you much, it's not enough	We only said (10) with words
You love (4) and I love puff	I died a hundred times
And life is like a pipe	You go back to her
And I'm a tiny penny rolling up the walls inside	And I go back to black
We only said goodbye with words	
I died a hundred times	
You go back to her	
And I go (5) to
