

Fill in the gaps

Back To Black by Amy Winehouse

He left no (1) to regret, kept his **** wet	We (16) said (17)	with words
With his (2) old safe bet	I died a (18) times	
Me and my head (3) and my tears dry	You go back to her	
Get on without my guy	And I go (19) to	
You (4) back to what you knew so far removed	Black, black, black	
From all that we (5) through	Black, black, black	
And I tread a (6) track, my odds are	I go back to	
stacked	I go back to	
I'll go back to black	We (20) said goodbye (21)	words
We only said (7) with words	I died a (22) times	
I died a hundred times	You go back to her	
You go back to her	And I go back to	
And I go back to, I go back to us	We only (23) (24)	with words
I (8) you much, it's not enough	I (25) a hundred times	
You love (9) and I (10) puff	You go back to her	
And (11) is like a pipe	And I go (26) to black	
And I'm a tiny (12) up		
the walls inside		
We only said (14) with words		
I died a (15) times		
You go back to her		
And I go back to
