

## Fill in the gaps

| Remember the feelings, remember the day | But after (12) time you (13) pushed me |
|---|--|
| My stone (1) was breaking               | aside                                  |
| My love ran away                        | You never (14) that a girl (15)        |
| This moments I (2) I (3) be             | be (16)                                |
| (4) else                                | Now I'll (17) you how to go on         |
| My love turned around and I (5)         | Be my bad boy, be my man               |
| Be my bad boy, be my man                | Be my week-end lover                   |
| Be my week-end (6)                      | But don't be my friend                 |
| But don't be my friend                  | You can be my bad boy                  |
| You can be my bad boy                   | But understand                         |
| But understand                          | That I don't need you in my life again |
| That I don't (7) you in my (8) again    | Won't you be my bad boy, be my man     |
| Won't you be my bad boy, be my man      | Be my week-end lover                   |
| Be my week-end (9)                      | But don't be my (18)                   |
| But don't be my (10)                    | You can be my bad boy                  |
| You can be my bad boy                   | But understand                         |
| But understand                          | That I don't need you again            |
| That I don't need you again             | No I don't (19) you again              |
| No I don't need you again               |  |
| You once made this promise              |  |
| To (11) by my side                      |  |
|   |  |
