

## Fill in the gaps

On the first part of the journey	La la la la la
I was looking at all the life	La la la la la
There were (1) and (2) and	La la la la la
rocks and things	La la la la la
There was sand and hills and rings	After nine days I let the horse run free
The first (3) I met was a fly with a buzz	'Cause the desert had turned to sea
And the sky with no clouds	There were plants and birds and rocks and things
The heat was hot and the ground was dry	There was sand and hills and rings
But the air was full of sound	The (7) is a desert (8) it's life
I've been through the desert on a horse with no name	underground
It felt good to be out of the rain	And a perfect disguise above
In the desert you can remember (4) name	Under the cities lies a heart made of ground
'Cause there ain't no one for to give you no pain	But the humans will give no love
La la la la la	You see I've been through the desert on a horse with no name
La la la la la	It felt good to be out of the rain
La la la la la	In the desert you can remember your name
La la la la la	'Cause (9) ain't no one for to give you no pain
After two days in the desert sun	La la la la la
My skin began to turn red	La la la la la
After (5) (6) in the desert fun	La la la la la
I was looking at a river bed	La la la la la
And the story it told of a river that flowed	
Made me sad to think it was dead

It felt good to be out of the rain	
In the desert you can remember your name	
'Cause there ain't no one for to give you no pain
