

'Cause there ain't no one for to give you no pain

Fill in the gaps

On the first part of the journey	La la la la la
I was looking at all the life	La la la la la
There were plants and birds and rocks and things	La la la la la
There was sand and hills and rings	La la la la la
The first thing I met was a fly (1) a buzz	After (5) days I let the horse run free
And the sky with no clouds	'Cause the desert had turned to sea
The heat was hot and the ground was dry	There (6) (7) and birds and
But the air was full of sound	(8) and things
I've been through the desert on a horse with no name	There was sand and hills and rings
It felt good to be out of the rain	The ocean is a desert with it's life underground
In the desert you can remember your name	And a perfect disguise above
'Cause there ain't no one for to give you no pain	Under the cities lies a (9) made of ground
La la la la la	But the humans will give no love
La la la la la	You see I've been through the desert on a horse with no name
La la la la la	It (10) good to be out of the rain
La la la la la	In the desert you can remember your name
After two (2) in the desert sun	'Cause there ain't no one for to give you no pain
My skin began to turn red	La la la la la
After three days in the desert fun	La la la la la
I was looking at a river bed	La la la la la
And the story it told of a river (3) flowed	La la la la la
Made me sad to think it was dead	
You see I've been through the (4) on a horse
