

Fill in the gaps

INSTRUMENTAL	CHORUS:	
Your hand fits in mine	I won't let these little (12)	
Like it's (1) just for me	Slip out of my (13)	
But bear this in mind	but if it's (14)	
It was meant to be	It's you	
And i'm joining up the dots	Oh it's you	
With the freckles on your cheeks	They add up to	
And it all makes sense to me	I'm in love with you	
I know you've never loved	And all (15) little (16)	
The crinkles by (2) eyes	You'll never love yourself	
When you smile,	Half as much as I (17) you	
You've never loved	You'll never (18) (19)	right
Your (3) or (4) thighs	darlin'	
The dimples in your back	But i want you to	
At the bottom of your spine	If i let you know	
But i'll love them endlessly	I'm here for you	
CHORUS:	Maybe you'll love yourself like i (20) you	
I won't let these little things	Oh	
Slip out of my mouth	I've just let these little things	
But if i do	Slip out of my (21)	
It's you	Because it's you	
Oh it's you	Oh it's you	
They add up to	It's you	
I'm in love (5) you	They add up to	
And all these little things	And i'm in love you	
You cant go to bed	And all these (22) things	
Without a cup of tea	I won't let (23) little (24)	
And maybe that's the reason	Slip out of my (25)	
That you talk in (6) sleep	But if it's true	
And all (7) conversation	It's you	
Are the secrets that I keep	It's you	
Though it (8) no sense to me	They add up to	
I (9) you've never loved the sound of your voice	I'm in love with you	
tape	And all (26) (27) things	
You know want to know how (10) weigh		
You still have to squeeze (11) your jeans		
But you're perfect to me
