

Fill in the gaps

	If you wanna see me fall.
Everything I (1) I have:	Boy you're so dope,
Money, notoriety, rivieras.	Your love is deadly.
I even think I found God	Tell me life is beautiful,
In the (2) bulbs of the pretty cameras,	They'll all think I have it all.
Pretty cameras, pretty cameras.	I have (8) without you.
Am I glamorous? (3) me, am I glamorous?	All my dreams and all the lights mean
Hello? Hello?	Nothing without you.
Ca-can you hear me?	We were two kids, just tryin' to get out,
I can be your china doll	Lived on the dark side of the American dream.
If you wanna see me fall.	We would dance all night, play our music loud,
Boy you're so dope,	When we grew up (9) was what it seemed.
Your love is deadly.	Hello? Hello?
Tell me life is beautiful,	Ca-can you hear me?
They'll all think I (4) it all.	I can be your china doll
I have nothing without you.	If you wanna see me fall.
All my dreams and all the lights mean	Boy you're so dope, (so dope)
Nothing (5) you.	Your love is deadly.
Summertime is nice and hot,	Tell me life is beautiful,
And my life is sweet like vanilla is.	They'll all think I (10) it all.
Gold and silver line my heart	I have nothing without you.
But burned into to my (6) all these stolen	All my dreams and all the lights mean
images,	Nothing without you.
Stolen images, baby, stolen images.	[x2]
Can you picture it, baby?	All my dreams and all the lights mean
That (7) we could've lived?	Nothing if I can't have you.
Hello? Hello?	
Ca-can you hear me?	
I can be your china doll
