

Fill in the gaps

Shut the door, turn the light off	If we (15) only turn back time
I wanna be with you	You know I'll be
I wanna feel (1) love	Your life, (16) voice,
I (2) lay beside you	Your reason to be my love
I cannot hide this even though I try	My heart is breathing for this
Heart beats harder	Moments in time
Time escapes me	I'll find the (17) to say
Trembling hands touch skin	Before you leave me today
It makes this harder	Flashes left in my mind
And the tears stream down my face	Going back to the time
If we could (3) have (4) (5)	Playing (18) in the street
for one (6) day	Kicking balls with my feet
If we could only turn back time	Dancing on with my toes
You know I'll be	Standing close to the edge
Your life, your voice,	There's a part of my (19) at the end of your
Your reason to be my love	bed
My heart is breathing for this	As I feel myself fall
Moments in time	Make a joke of it all
I'll find the (7) to say	You (20) I'll be
Before you leave me today	Your life, your voice,
Close the door	Your reason to be my love
Throw the key	My heart is breathing for this
Don't (8) be reminded	Moment in time
Don't (9) be seen	I'll find the (21) to say
Don't wanna be without you	Before you leave me today
My judgement is clouded	You know I'll be
Like tonight's sky	Your life, your voice,
Hands are silent	Your reason to be my love
Voice is numb	My (22) is breathing for this
Try to scream out my lungs	Moment in time
But it makes things harder	I'll find the (23) to say
And the (10) (11) down my face	Before you (24) me (25)
If we could (12) (13) this (14)	
for one more day
