

## Fill in the gaps

I was there to witness	What are you doing this for?
Candice's inner bussines	Now tell me
She wants the boys to notice	Hey ho here she goes
Her rainbows and her ponnies	Either a (6) too high or a little too low
She was educated	Got no self-esteem and vertigo
But could not count to ten	Because she thinks she's made of candy
How she got lots of different horses	Hey ho here she goes
By lots of different men	Either a little too loud or a (7) too close
And I say	There's a hurricane in the back of her throat
Liberate your (1) and daughters	And she thinks she's made of candy
The bush is high	Liberate your sons and daughters
But in the hole there's water	The bush is high
You can get some, when they give it	But in the (8) there's water
Nothing sacred, but (2) a living	As you win she'll be the Hollywood love
Hey ho here she goes	And if you (9) feel good
Either a little too high or a little too low	What are you doing this for?
Got no self-esteem and vertigo	(bis)
Because she (3) she's made of candy	Hey ho here she goes
Hey ho here she goes	Either a little too high or a little too low
Either a little too loud or a (4) too close	Got no self-esteem and vertigo
There's a hurricane in the back of her throat	Because she thinks she's made of candy
And she thinks she's made of candy	Hey ho here she goes
Ring-a-ring o'roses	Either a little too loud or a little too close
Whoever gets the closest	There's a hurricane in the back of her throat
She comes and she goes	And she thinks she's made of candy
As the war of the roses	Hey ho here she goes
Mother was a victim	Either a little too high or a little too low
Father beat the system	Got no self-esteem and vertigo
By moving (5) to Brixton	Because she thinks she's made of candy
And learning how to fix them	Hey ho here she goes
Liberate your sons and daughters	Either a little too loud or a little too close
The bush is high	There's a hurricane in the back of her throat
But in the hole there's water	And she (10) she's made of candy
As you win she'll be the Hollywood love	
And if it don't feel good
