

## Fill in the gaps

I was there to witness		What are you doing this for?
Candice's inner bussines		Now tell me
She wants the boys to notice		Hey ho here she goes
Her rainbows and her ponnies		Either a (10) too (11) or a little too
She was educated		low
But (1) not count to ten		Got no self-esteem and vertigo
How she got lots of different horses		Because she thinks she's made of candy
By lots of different men		Hey ho here she goes
And I say		Either a little too loud or a (12) too close
Liberate (2) sons and daughters		There's a hurricane in the (13) of her throat
The (3) is high		And she thinks she's made of candy
But in the hole there's water		Liberate your sons and daughters
You can get some, when (4) give it		The bush is high
Nothing sacred, but it's a living		But in the (14) (15) water
Hey ho here she goes		As you win she'll be the (16) love
Either a little too high or a little too low		And if you don't (17) good
Got no self-esteem and vertigo		What are you doing this for?
Because she thinks she's (5) of candy		(bis)
Hey ho here she goes		Hey ho here she goes
Either a little too loud or a little too close		Either a little too high or a (18) too low
There's a hurricane in the back of her throat		Got no self-esteem and vertigo
And she thinks she's made of candy		Because she thinks she's (19) of candy
Ring-a-ring o'roses		Hey ho here she goes
Whoever gets the closest		Either a little too loud or a little too close
She comes and she goes		There's a (20) in the back of her throat
As the war of the roses		And she thinks she's made of candy
Mother was a victim		Hey ho here she goes
Father beat the system		Either a (21) too high or a little too low
By (6) bricks to Brixton		Got no self-esteem and vertigo
And learning how to fix them		Because she thinks she's (22) of candy
Liberate your sons and daughters		Hey ho here she goes
The bush is high		Either a (23) too (24) or a little too
But in the (7) there's water		close
As you win she'll be the (8)	love	There's a hurricane in the back of her throat
And if it (9) feel good		And she thinks she's made of candy
