|---------------------------------------|---|
| Pour a (2) salt, we (3) never here | (14) here |
| My, my, my, my, my, my, my | We suckled on the hope in lite brassieres |
| Staring at the (4) of blood and | My, my, my, my, my, my, my |
| (5) veneer | Sullen load is full, so slow on the split |
| I tell my (6) to (7) it all | And I told you to be patient |
| Cut out all the (8) and let me fall | And I (15) you to be fine |
| My, my, my, my, my, my, my | And I (16) you to be balanced |
| Right in this (9) this order's tall | And I told you to be kind |
| I told you to be patient | And now all your love is wasted |
| I told you to be fine | And who the (17) was I? |
| And I (10) you to be balanced | I'm breaking at the bridges |
| And I told you to be kind | And at the end of all your lines |
| In the (11) I'll be with you | Who will love you? |
| But it will be a different kind | Who (18) fight? |
| I'll be holding all the tickets | Who (19) fall far behind? |
| And you'll be owning all the fines | |
