Feet don't fail me now	Keep making me laugh,
Take me to the finish line	Let's go get high
All my heart, it breaks every step that I take	Road's long, we carry on
But I'm hoping that the gates,	Try to have fun in the meantime
They'll tell me that you're mine	Come and (4) a (5) on the wild side
Walking through the city streets	Let me kiss you hard in the pouring rain
Is it by mistake or design?	You like (6) girls insane
I feel so alone on a friday night	Choose your last words,
Can you (1) it feel like home, if I tell you you're	This is the last time
mine	Cause you and I
It's like I told you honey	We were born to die
Don't make me sad, don't make me cry	We were born to die
Sometimes love's not enough when the road gets tough	We were born to die
I don't know why	Come and (7) a walk on the wild side
Keep making me laugh,	Let me kiss you hard in the pouring rain
Let's go get high	You like your girls insane
Road's long, we carry on	Don't make me sad, don't make me cry
Try to have fun in the meantime	Sometimes love's not enough when the road gets tough
Come and take a walk on the wild side	I don't know why
Let me kiss you hard in the pouring rain	Keep making me laugh,
You like your girls insane	Let's go get high
Choose your last words	Road's long, we carry on
This is the (2) time	Try to have fun in the meantime
Cause you and I, we were born to die	Come and take a walk on the (8) side
Lost but now I am found	Let me kiss you hard in the pouring rain
I can see but once I was blind	You like (9) girls insane
I was so confused as a little child	Choose your last words
Tried to take what I could get	This is the (10) time
Scared that I couldn't find	Cause You and I
All the answers, honey	We were born to die
Don't make me sad, don't (3) me cry	We were born to die
Sometimes love's not enough when the road gets tough
