Shadows settle on the place, (1)_____ you left.
Our minds are (2)_____ by the emptiness.
Destroy the middle, it's a waste of time.
From the perfect start to the finish line.
And if you're still breathing, you're the lucky ones.
'Cause most of us are heaving through corrupted lungs.
Setting fire to our insides for fun
Collecting names of the lovers that (3)_____ wrong
The lovers that went wrong.
We are the reckless,
We are the wild youth
Chasing visions of our futures
One day we'll reveal the truth
That one will die before he gets there.
And if you're still bleeding, you're the lucky ones.
'Cause most of our feelings, they are dead and they are gone.
We're setting (4)_____ to our (5)_____ for fun.
Collecting pictures from the flood that wrecked our home,
It was a flood that (6)_____ this...

... and you caused it...
... and you (7)_____ it...
... and you caused it...
Well I've lost it all, I'm just a silhouette,
A lifeless face that you'll soon forget,
My eyes are damp from the words you left,
Ringing in my head, when you broke my chest.
Ringing in my head, when you broke my chest.
And if you're in love, (8)_____ you are the lucky one,
'Cause most of us are (9)_____ over someone.
Setting fire to our (10)_____ for fun,
To distract our hearts from ever missing them.
But I'm forever missing him.
And you caused it,
And you caused it,
And you caused it
