Candles by Daughter

That boy, take me away, into the night
Out of the hum of the street lights and into a forest
I'll do whatever you say to me in the dark
Scared I'll be torn apart by a wolf in mask of a familiar name
on a birthday card
Blow out all the candles, blow out all the candles
"You're too old to be so shy," he says to me so I stay the night
Just a (1)_____ heart confusing my mind, but we're
both in silence
Wide-eyed, both in silence
Wide-eyed, like we're in a crime scene
Well I have brittle bones it seems
I bite my tongue and torch my dreams
Have a little voice to speak with
And a mind of (2)_____ and secrecy
Things cannot be reversed, we learn from the times we are
cursed
Things cannot be reversed, learn (3)_____ the ones we
(4)_____ the worst
And (5)_____ from the (6)_____ we hate the
most how to
Blow out all the candles, blow out all the candles
"You're too old to be so shy," he says to me so I stay the night

Just a young heart confusing my mind, but we're both in
silence
Wide-eyed, both in silence
Wide-eyed
Cause we both know I'll never be your lover
I only bring the heat
Company under cover
Filling space in your sheets
Well I'll never be a lover
I only bring the heat
Company under cover
Filling space in your sheets, in your sheets
So, please just (7)_____ out all the candles,
(8)_____ out all the candles
"You're too old to be so shy," he says to me so I stay the night
It's just a young (9)_____ confusing my mind, but
we're both in silence
Wide-eyed, both in silence
Wide-eyed, (10)_____ we're in a crime scene.

Fill in the gaps

Answer
