

Fill in the gaps

Candles by Daughter

That boy, take me away, into the night
Out of the hum of the street lights and into a forest
I'll do whatever you say to me in the dark
Scared I'll be torn apart by a wolf in mask of a familiar name
on a birthday card
Blow out all the candles, (1)_____ out all the candles
"You're too old to be so shy," he says to me so I stay the night
Just a (2)_____ heart (3)_____ my
mind, but we're (4)_____ in silence
Wide-eyed, (5)_____ in silence
Wide-eyed, like we're in a (6)_____ scene
Well I (7)_____ brittle bones it seems
I bite my tongue and (8)_____ my dreams
Have a little voice to speak with
And a mind of thoughts and secrecy
Things (9)_____ be reversed, we learn from the
times we are cursed
Things (10)_____ be reversed, learn from the
(11)_____ we fear the worst
And (12)_____ (13)_____ the ones we hate the
(14)_____ how to
Blow out all the candles, blow out all the candles
"You're too old to be so shy," he says to me so I stay the night

Just a young heart confusing my mind, but we're
(15)_____ in silence
Wide-eyed, both in silence
Wide-eyed
Cause we both know I'll never be (16)_____ lover
I only (17)_____ the heat
Company under cover
Filling space in your sheets
Well I'll (18)_____ be a lover
I only bring the heat
Company under cover
Filling space in your sheets, in your sheets
So, please (19)_____ blow out all the candles, blow out
all the candles
"You're too old to be so shy," he (20)_____ to me so I
stay the night
It's (21)_____ a (22)_____ heart confusing my
mind, but we're both in silence
Wide-eyed, both in silence
Wide-eyed, (23)_____ we're in a crime scene.

Fill in the gaps

Answer

1. blow
