

## Candles by Daughter

### Fill in the gaps

That boy, take me away, into the night  
Out of the hum of the street (1)\_\_\_\_\_ and into a forest  
I'll do whatever you say to me in the dark  
Scared I'll be torn apart by a wolf in mask of a familiar name on a birthday card  
Blow out all the candles, blow out all the candles  
"You're too old to be so shy," he says to me so I stay the night  
Just a young heart confusing my mind, but we're both in silence  
Wide-eyed, (2)\_\_\_\_\_ in silence  
Wide-eyed, (3)\_\_\_\_\_ we're in a (4)\_\_\_\_\_ scene  
Well I have brittle bones it seems  
I (5)\_\_\_\_\_ my (6)\_\_\_\_\_ and torch my dreams  
Have a (7)\_\_\_\_\_ voice to (8)\_\_\_\_\_ with  
And a mind of thoughts and secrecy  
Things cannot be reversed, we learn from the times we are cursed  
Things (9)\_\_\_\_\_ be reversed, (10)\_\_\_\_\_ from the ones we fear the worst  
And learn from the ones we (11)\_\_\_\_\_ the most how to  
Blow out all the candles, blow out all the candles  
"You're too old to be so shy," he says to me so I stay the night

Just a young heart confusing my mind, but we're  
(12)\_\_\_\_\_ in silence  
Wide-eyed, both in silence  
Wide-eyed  
Cause we (13)\_\_\_\_\_ know I'll never be your lover  
I only bring the heat  
Company under cover  
Filling space in your sheets  
Well I'll (14)\_\_\_\_\_ be a lover  
I (15)\_\_\_\_\_ bring the heat  
Company under cover  
Filling (16)\_\_\_\_\_ in your sheets, in (17)\_\_\_\_\_ sheets  
So, (18)\_\_\_\_\_ just (19)\_\_\_\_\_ out all the candles, blow out all the candles  
"You're too old to be so shy," he says to me so I stay the night  
It's just a young heart (20)\_\_\_\_\_ my mind, but we're (21)\_\_\_\_\_ in silence  
Wide-eyed, both in silence  
Wide-eyed, like we're in a (22)\_\_\_\_\_ scene.

**Fill in the gaps**

**Answer**

1. lights
2. both
3. like
4. crime
