

Candles by Daughter

Fill in the gaps

That boy, take me away, into the night
Out of the hum of the street lights and into a forest
I'll do whatever you say to me in the dark
Scared I'll be torn apart by a (1)_____ in mask of a
familiar name on a birthday card
Blow out all the candles, (2)_____ out all the candles
"You're too old to be so shy," he says to me so I stay the night
Just a young heart confusing my mind, but we're both in
silence
Wide-eyed, both in silence
Wide-eyed, like we're in a crime scene
Well I have brittle bones it seems
I bite my tongue and torch my dreams
Have a little voice to speak with
And a mind of thoughts and secrecy
Things cannot be reversed, we learn from the times we are
cursed
Things (3)_____ be reversed, learn from the ones
we fear the worst
And learn from the ones we hate the most how to
Blow out all the candles, blow out all the candles
"You're too old to be so shy," he (4)_____ to me so I stay
the night

Just a young heart confusing my mind, but we're both in
silence
Wide-eyed, (5)_____ in silence
Wide-eyed
Cause we both know I'll never be your lover
I only bring the heat
Company (6)_____ cover
Filling space in (7)_____ sheets
Well I'll never be a lover
I only bring the heat
Company under cover
Filling space in your sheets, in your sheets
So, please just blow out all the candles, blow out all the
candles
"You're too old to be so shy," he says to me so I stay the night
It's just a young (8)_____ confusing my mind, but
we're (9)_____ in silence
Wide-eyed, both in silence
Wide-eyed, like we're in a crime scene.

Fill in the gaps

Answer
