

Fill in the gaps

Call Me Maybe by Carly Ray Jepsen

I threw a wish in the well
Don't ask me, I'll never tell
I looked to you as it fell
And now you're in my way
I trade my soul for a wish
Pennies and dimes for a kiss
I wasn't (1)_____ for this
But now you're in my way
Your (2)_____ was holding
Ripped jeans, skin was showing
Hot not, wind was blowing
Where you think you're going, baby?
Hey, I (3)_____ met you and this is crazy
But here's my number, so call me, maybe
It's hard to look right at you baby
But here's my number, so call me, maybe
Hey, I (4)_____ met you and (5)_____ is crazy
But here's my number, so call me, maybe
And all the other boys try to chase me
But here's my number, so call me, maybe
You (6)_____ your time (7)_____ the call
I took no time with the fall
You (8)_____ me nothing at all
But still, you're in my way
I beg, and borrow and steal
Have foresight and it's real
I didn't know I would feel it
But it is in my way
Your stare was holding
Ripped jeans, skin was showing
Hot not, (9)_____ was blowing
Where you (10)_____ you're going, baby

Hey, I just met you and this is crazy
But here's my number, so call me, maybe
It's hard to look right at you baby
But here's my number, so call me, maybe
Hey, I just met you and (11)_____ is crazy
But here's my number, so (12)_____ me, maybe
And all the other (13)_____ try to chase me
But here's my number, so call me, maybe
Before you came into my life
I missed you so bad
I (14)_____ you so bad
I missed you so, so bad
Before you came (15)_____ my life
I missed you so bad
And you should (16)_____ that
I missed you so, so bad
It's hard to (17)_____ right at you baby
But here's my number, so call me, maybe
Hey, I just met you and this is crazy,
But here's my number, so call me, maybe
And all the other (18)_____ try to (19)_____ me
But here's my number, so call me, maybe
Before you came (20)_____ my life
I missed you so bad
I missed you so bad
I (21)_____ you so, so bad
Before you (22)_____ into my life
I missed you so bad
And you should know that
So call me, maybe

Fill in the gaps

Answer
