She wants me to come over
I can tell her eyes don't lie
She's (1)_____ me in the dark
She moves us around the room where the lights turn like the sky
Confidence like a rock star
I wanna put my hands on her hands
Feel the heat from her skin
Get reckless in the starlight
I'm moving to the beat of her heart
I was so lost (2)_____ tonight, tonight
I found you, in the darkest hour
I found you, in a pouring rain
I found you, when I was on my knees
And your (3)_____ pulled me back again
Found you in a river of (4)_____ emotions
I found you, my only truth
I found you, with the music playing
I was lost til I found you, you, you
Til I found you, you, you
The night is getting colder
And I can't (5)_____ off this high
I don't want this here to end

And your love pulled me back again
Found you in a river of pure emotions
I found you, my only truth
I found you, with the music playing
I was lost til I found you, you, you
Til I found you, you, you

Searching for that piece of mind

Looking for some kind inside
