

## Fill in the gaps

I've been alone with you inside my mind	Are you (8) feeling lonely
And in my dreams I've (1) your lips, a	Or is (9) loving you
thousand times	Tell me how to win your heart
I (2) see you pass outside my door	For I haven't got a clue
Hello, is it me you're looking for?	But let me start by saying, I love you
I can see it in your eyes	Hello
I can see it in your smile	Is it me You're looking for?
You're all I've ever wanted	Cos I wonder where you are
My arms are open wide	And I wonder what you do
Cos you know (3) what to say	Are you somewhere feeling lonely
And you (4) just (5) to do	Is someone loving you?
And I want to tell you so much, I (6) you	Tell me how to win your heart
I long to see the sunlight in your hair	For I haven't got a clue
And tell you time and time again, how much I care	But let me start by saying
Sometimes I feel my heart will overflow	I love you
Hello? I've just got to let you know	
Cos I wonder where you are	
And I wonder (7) you do
