Take Me As I Am by David Cook

Out here on my own I know I'm not alone

Fill in the gaps

This is no escape	Let me in your heart
This is no surrender	Right where you stand
My dear	Take me as I am
This is my parade	Give a second chance
My happy ever after	We can (4) tomorrow
Only if you're here	Make it better, you and me
When I'm lost and broken	Give me one (5) try
Take me as I am	Before we say goodbye
Right (1) where I stand	Right (6) in (7) moment
Open up your arms and let me in	Here forever
Out here on my own	Everyday
I know I'm not alone	Take me as I am
Let me in your heart	Right here where I stand
Right where you stand	Open up (8) arms
Take me as I am	Take me as I am
We can take tonight	Right here where I stand
And make it last forever	Open up (9) arms and let me in
If you dare	Out here on my own
Ooh, we can run away	I know I'm not alone
Take the world together	Let me in your heart
Only if you care	Right where you stand
With these words unspoken	Take me as I am
Take me as I am	Take me as I am
Right (2) where I stand	Take me as I am
Open up your (3) and let me in	Take me as I am
Out here on my own	Take me as I am
