

Fill in the gaps

This is the end			We (12)	stand t	all (we will sta	and tall)	
Hold your (1)	and (2)	to ten	Face it all together				
Feel the (3)	move and then		At skyfall				
Hear my heart burst again			[x2:]				
For (4) is the end			(Let the sky fall				
I've drowned and dreamt this moment			When it crumbles				
So overdue I owe them			We will stand tall)				
Swept away, I'm stolen			Where you go I go				
Let the sky fall			What you see I see				
When it crumbles			I know I'd (13)	now I'd (13) be me			
We will stand tall			Without the security				
Face it all together			Of your (14)	f your (14) arms			
Let the sky fall			Keeping me (15) harm				
When it crumbles			Put (16) hand in my hand				
We (5) stand tall			And we'll stand				
Face it all together			Let the sky (17) (let the sky fall)				
At skyfall			When it (18)		(when	it crumbles)	
That skyfall			We will stand tall (we will stand tall)				
Skyfall is (6)	we start		Face it all together				
A thousand miles and poles apart			Let the sky fall (let the sky fall)				
Where (7)	collide and days are dark	k	When it (19)		(when	it crumbles)	
You may have my number	, you can take my name		We (20)	stand	(21)	(we will stand tall)	
But you'll (8)	have my heart		Face it all together				
Let the sky fall (let the sky fall)			At skyfall				
When it (9)	(when it crumbles)		Let the sky fall				
We (10) (11)_	tall (we will s	tand tall)	We will (22)	t	all		
Face it all together			At skyfall				
Let the sky fall (let the sky fall)							
When it crumbles (when it crumbles)
