So take that you		To all you
You hate it		Who (5) to
A city that seems so jaded		You want to it just ain't worth it
I can't		To all you
I can't end up like that		Who need to
It's all about what you drive		You need to know
Who you know		I don't give a fuck (6) you can't (7)
In a (1) it	'll swallow you whole	me
And so fast		I've finally had enough of what you say
Just like that		Now you're talking tough cause you backstabbed me
You're way off track		You're my derailment
To all you		It's funny how you lie and try to wreck me
Who want to		It's funny how you're falling on your face
You want to it (2) ain't worth it		I'm never going to let you disrespect me
To all you Who need to		You're my derailment
		The train is off the tracks
You need to know		I'm not looking back
I don't give a fuck that you can't stand me		I don't give a fuck that you can't stand me
I've finally had enough of (3) you say		I've (8) had enough of what you say
Now you're talking tough cause you backstabbed me		Now you're talking (9) cause you backstabbed
You're my derailment		me
So sick and so shameless		You're my derailment
I swore I'd (4)	_ start by saying	It's funny how you lie and try to wreck me
Do you know		It's funny how you're (10) on your face
You know who I am		I'm never going to let you disrespect me
It's not about what you drive		You're my derailment
Who you know Cause when it's gone You'll be standing alone And so fast Just like that You can't go back		Where do we go from here
		With everything so unclear
		Turned out to be by far my longest year
		It's too late to turn back time
		I'll never make it out alive
		End of the day I see through all your lies
