I want it more more moreUntouched ahDon't even think about what's right or wrong or wrong or rightUntouched'Cause in the end it's only you and meUntouched ahAnd no one else is going to be aroundUntouched ahTo answer all the questions left behindUntouched ah		
'Cause in the end it's only you and me Untouched ah And no one else is going to be around To answer all the questions left behind	I want it more more	
'Cause in the end it's only you and me Untouched ah And no one else is going to be around To answer all the questions left behind	Don't even think about what's right or wrong or wrong or right	Untouched
And no one else is going to be around To answer all the questions left behind		
To answer all the questions left behind		
	And you and I are meant to be	

So even if the world falls down today

You still got me to hold you up up
