SUB inglés

The oceans and pangea

Fill in the gaps

The Big Bang Theory by Barenaked Ladies

Our whole universe was in a hot dense state,	See ya wouldn't wanna be ya
Then nearly fourteen billion years ago expansion started	. Set in motion by the same big bang!
Wait	It all started with the big BANG!
The (1) began to cool,	It's expanding ever outward but one day
The autotrophs began to drool,	It will pause (5) start to go the other way,
Neanderthals developed tools,	Collapsing (6) inward, we won't be here, it wont be
We (2) a (3) (we built the pyramids),	hurt
Math, science, history, unraveling the mysteries,	Our best and brightest figure that it'll make an even bigger
That all started with the big bang!	bang!
"Since the dawn of man" is really not that long,	Australopithecus would (7) have been sick of
As every galaxy was formed in less time than it takes to sing	g us
this song.	Debating why were here they're catching deer (we're catching
A (4) of a second and the elements were	e viruses)
made.	Religion or astronomy, Encarta, Deuteronomy
The bipeds stood up straight,	It all started with the big bang!
The dinosaurs all met their fate,	Music and mythology, Einstein and astrology
They tried to leap but they were late	It all (8) with the big bang!
And they all died (they froze their asses off)	It all started with the big BANG!

Fill in the gaps

- 1. Earth
- 2. built
- 3. wall
- 4. fraction
- 5. then
- 6. ever
- 7. really
- 8. started
