

Fill in the gaps

The Big Bang Theory by Barenaked Ladies

Our whole universe was in a hot dense state,	See ya wouldn't wanna be ya
Then nearly fourteen billion (1) ago	Set in (17) by the same big bang!
(2) started. Wait	It all started with the big BANG!
The Earth (3) to cool,	It's (18) ever outward but one day
The (4) to drool,	It (19) pause then start to go the other way,
Neanderthals (6) tools,	Collapsing (20) inward, we won't be here, it wont
We built a (7) (we built the pyramids),	be hurt
Math, science, history, unraveling the mysteries,	Our best and brightest figure (21) it'll
That all started (8) the big bang!	(22) an even bigger bang!
"Since the (9) of man" is really not that long,	Australopithecus would (23) have been sick of
As (10) galaxy was formed in less time than it	us
takes to (11) this song.	Debating why were here they're catching (24)
A fraction of a second and the (12) were	(we're catching viruses)
made.	Religion or astronomy, Encarta, Deuteronomy
The bipeds stood up straight,	It all started with the big bang!
The dinosaurs all met their fate,	Music and mythology, Einstein and astrology
They tried to (13) but they were late	It all (25) (26) the big bang!
And (14) all died (they froze their (15)	It all started with the big BANG!
off)	
The (16) and pangea
