Follow You Down by Gin Blossoms

Did you see the sky, I (1) it (2)	How you gonna ever (15) your place
(3) we've (4) lost	Runnin' in an artificial pace
Maybe one less time is all we need	Are they (16) (17) us lying face
I can't (5) it if my tongue's all	(18) in the sand
(7) in knots	So what the hell, (19) we already been forever
Jumping off a bridge, it's just the farthest that I've ever been	damned?
Anywhere you go, I'll (8) you down	Anywhere you go, I'll follow you down
Anyplace, but (9) I know by heart	Anyplace, but those I know by heart
Anywhere you go, I'll follow you down	Anywhere you go, I'll follow you down
I'll follow you down, but not that far	l'll (20) you down, but not (21) far
I know we're (10) somewhere, I can see how	Anywhere you go, I'll (22) you down
far we've come	Anyplace, but those I know by heart
But still, I can't remember anything	Anywhere you go, I'll follow you down
Let's not do the (11) thing and I swear it	I'll follow you down, but not (23) far (follow you
(12) be fun	down)
It's a long way down when all the knots we've tied have	I'll follow you down, but not that far (follow you down)
(13) undone	I'll follow you down, but not (24) far (follow you
Anywhere you go, I'll follow you down	down)
Anyplace, but those I know by heart	I'll (25) you down, but not that far (follow you
Anywhere you go, I'll follow you down	down)
I'll (14) you down, but not that far	
Whoooo!
