Follow You Down by Gin Blossoms

Did you see the sky, I think it means (1) we've	How you gonna ever find your place
been lost	Runnin' in an artificial pace
Maybe one (2) time is all we need	Are they gonna find us lying (7) down in the sand
I can't really help it if my tongue's all tied in knots	So what the hell, have we already been forever damned?
Jumping off a bridge, it's just the farthest that I've ever been	Anywhere you go, I'll follow you down
Anywhere you go, I'll follow you down	Anyplace, but those I know by heart
Anyplace, but those I know by heart	Anywhere you go, I'll follow you down
Anywhere you go, I'll follow you down	I'll follow you down, but not that far
I'll follow you down, but not that far	Anywhere you go, I'll follow you down
I know we're headed somewhere, I can see how far we've	Anyplace, but those I know by heart
come	Anywhere you go, I'll follow you down
But still, I can't remember anything	I'll follow you down, but not (8) far (follow you
Let's not do the wrong thing and I swear it might be fun	down)
It's a (3) way down when all the knots we've	I'll (9) you down, but not that far (follow you
(4) have come undone	down)
Anywhere you go, I'll follow you down	I'll follow you down, but not that far (follow you down)
Anyplace, but (5) I (6) by heart	I'll follow you down, but not that far (follow you down)
Anywhere you go, I'll follow you down	
I'll follow you down, but not that far	
Whoooo!
