I want you here with me	And instead of walking towards you
Don't want those (5) in my head, no	I ran away
I want you here with me	And I keep on waiting for you
Spent the (6) just (7) out in	That you'd come around

Maybe we (10) just too young	I (24) you (25) with me
Your (11) was tan and your hair was long	Don't want those memories in my head, no
You showed me your smile and my cares were gone	I want you here with me

You said	Oh, here with me
Come on babe, it'll be alright
