Fill in the gaps

I'm the kinda girl who doesn't say a word who sits at the curb	In the crowd the (5) loud but I will find
and waits for the world	you
I'm about to break out about to break out	Ready or not here I come
I'm like a crook tonight	I (6) your face, do you (7) my song?
I caught you staring at me and I was thinking clearly	Just sing it la la la la la la and I will find you
And now I'm like a bee and I'm huntin' for the honey	Ready or not
And I'm kinda shy you're super fly I could be your kryptonite	Ready or not
Like ohh ohh	Ready or not here I come here I come
Light my heart up baby like a matchstick	You're like a breath of fresh air in my lungs
Ohh ohh ohh	You and me dance from the (8) to the dawn
And hit the gas quick	Ready or not here I come boy its on
Ready or not here I come	Ready or not here I come here I come
Where you at the night is young	You're like a (9) of fresh air in my lungs
In the crowd the music's loud but I will find you	You and I dance from the night to the dawn
Ready or not (1) I come	Ready or not here I come boy is on
I like (2) face do you like my song	Ready or not here I come
Just sing it la la la la la la and I will find you	Where you at the night is young
Ready or not	In the crowd the music's loud but I will find you
Ready or not	Ready or not here I come
Hello my name is nice to meet you I think you're famous,	I like your face do you like my song, just sing it la la la la la
where (3) I seen you?	and I will find you
You'll be my William I'll be your Kate livin' like a fairytale we	Ready or Not
could have a (4) right next to Oprah 37 cars	Ready or Not
and a yacht down in Boca	Ready or Not
Take me away where ever you say yeah we could be setting	Ready or Not

Like ohh ohh	
Light my heart up baby like a matchstick	
ohh ohh ohh	
And hit the gas quick	
Ready or not here I come
