

## Fill in the gaps

| rean first stop nittne groove      | Start start the party                               |
|------------------------------------|---|
| Let the music play                 | let's do it   |
| Next stop everybody                | start start the party                               |
| It's time to celebrate             | Lets start the party                                |
| Here we go so (1) show             | Come on come on everyone lets                       |
| Make the jeans you got become real | Start the party                                     |
| Lets do this let me (2) you        | What you wating for now                             |
| Now (3) me how you feel            | Start the party                                     |
| Lets (4) the party!                | Come on come on (9) lets                            |
| Come on (5) on everyone            | Start the party                                     |
| Lets start the party               | What you wating for now                             |
| l know you never gonna wanna stop  | start the party                                     |
| Let the music take us              | Come on come on everyone lets                       |
| Every (6) let's close our eyes     | start the party                                     |
| Feel the groove wanna shake us     | I know you never gonna wanna common let me hear you |
| Every (7) and everybody (8) it up  | hello!  |
| and start the party                | Neva (10) never gonna stop                          |
|                                    |   |

- 1. looking
- 2. hear
- 3. show
- 4. start
- 5. come
- 6. time
- 7. where
- 8. turn
- 9. everyone
- 10. ever
