

Fill in the gaps

When I look into your eyes
It's like watching the night sky
Or a beautiful sunrise
Well, there's so much they hold
And just like them old stars
I see that you've come so far
To be right where you are
How old is your soul?
Well, I won't (1) up on us
Even if the (2) get rough
I'm giving you all my love
I'm still looking up
And (3) you're needing your space
To do some navigating
I'll be here patiently waiting
To see what you find
'Cause even the stars they burn
Some even fall to the earth
We've got a lot to learn
God (4) we're worth it
No, I won't give up
I don't wanna be someone who (5) away so
easily

I'm here to stay and make the difference that I can make Our differences they do a lot to teach us how to use The tools and gifts we got, yeah, we got a lot at stake And in the end, you're still my friend at least we did intend For us to work we didn't break, we didn't burn We had to learn how to bend without the world caving in I had to learn what I've got, and what I'm not, and who I am I won't give up on us Even if the skies get rough I'm giving you all my love I'm still looking up, (6)_____ looking up. Well, I won't give up on us (no I'm not giving up) God knows I'm (7)_____ enough (I am tough, I am loved) We've got a lot to learn (we're alive, we are loved) God knows we're worth it (and we're (8)_____ it) I won't (9)____ up on us Even if the (10)_____ get rough I'm giving you all my love I'm still looking up
