I have the future on my tongue

Fill in the gaps

I Feed You My Love by Margaret Berger

A cocoon in a silent tree	Give me a kiss
Through the dark night you listen to me	Now I can see
When I whisper broken words in (1) ear	The (5) world is mine
And you push, you push me hard to the surface	I can touch and feel
I'm blinded at heart but you wake me	So I feed you my love
You wake me up (2) the snow	You put a (6) against my back
Where I was born	And you dare me to face the attack
Now I can see	You say "For cowards there's no reward"
The whole world is mine	I have the future on my tongue
I can (3) and feel	Now I can see
I feed you my love	Uhhh-Ohhh
You put a knife against my back	The whole world is mine
And you dare me to face the attack	I can (7) and feel
You say "For cowards there's no reward"	Mm-Ehhh
Feel the heat	So I feed you my love
Oh, Take my hand	Feed you my love
I trust your word (4) the fire	So I (8) you my love, oh-uh-oh
I don't care if it hurts
