

Fill in the gaps

I know (1) you're (2) things	Suspended on silver wings
Using gentle (3) to shelter me	Oh, a thousand words
Your (4) were like a dream	One thousand embraces
But dreams could never fool me	Will (22) you
Not (5) easily	Making all of the pain you feel
I (6) so (7) then	Seem far away
Didn't say (8) (9) you left	They'll (23) you forever
But I was listening	Oh, a thousand words
You'll fight (10) (11) far from m	e Have never been spoken
Far too easily	They'll fly to you
"Save (12) tears (13) I'll	They'll carry you home
(14) back"	And back into my arms
I (15) hear (16) you whispered	Suspended on silver wings, oh
As you walked through that door	On silver wings
But still I swore	And a thousand words, oh
To hide the (17) (18) I (19)	Call out though the ages
back the pages	They'll cradle you
Shouting might have been the answer	Turning all of the lonely years
What if I'd cried my eyes out	To only days
And begged you not to depart	They'll hold you forever
But now I'm not afraid	Yeah-uh
To say what's in my heart	A thousand words
Cause a thousand words	Oh-oh-oh-uh-uh
Call out through the ages	
They'll fly to you	
Even (20) we can't see	
I (21) they're reaching you
