

## Red by Taylor Swift

### Fill in the gaps

Loving him is like driving a new Maserati down a dead end street

Oh, red

Faster than the wind, passionate as sin, ending so suddenly

Burning red

Loving him is like trying to change your mind once you're already flying through the free fall

Remembering him comes in flashbacks, in echoes

Like the colors in autumn, so bright, just before they lose it all

Tell myself it's time now, gotta let go

Losing him was blue, like I've never (1)\_\_\_\_\_

But moving on (9)\_\_\_\_\_ him is impossible when I still see it all in my head

Missing him was dark grey, all (2)\_\_\_\_\_

Burning red

Forgetting him was like trying to know (3)\_\_\_\_\_

Loving him was red

you never met

Oh, losing him was blue, like I've never known

But loving him was red

Missing him was dark grey, all alone

Loving him was red

Forgetting him was like trying to know somebody you never met

Touching him was like (4)\_\_\_\_\_ all you ever wanted was right (5)\_\_\_\_\_ in front of you

'Cause loving him was red

Memorizing him was as easy as knowing all the words to your old favorite song

Yeah, yeah red

Fighting with him was like trying to solve a crossword and realizing there's no right (6)\_\_\_\_\_

Burning red

Regretting him was like wishing you'd never found out (7)\_\_\_\_\_ love could be that strong

And that's why he's spinning round in my head

Losing him was blue, like I've never known

Comes back to me, burning red

Missing him was (8)\_\_\_\_\_ grey, all alone

Yeah, yeah

Forgetting him was like trying to know somebody you never met

His love was like driving a new Maserati down a (10)\_\_\_\_\_ end street

But loving him was red

Loving him was red
