It's our party we can do what we want (no drama)	Forget the haters 'cause somebody loves ya
It's our party we can say what we (1) (Mike will	And everyone in line in the bathroom
made)	Trying to get a line in the bathroom
It's our (2) we can love who we want	We all so turned up here
We can (3) who we want	Getting turned up, yeah, yeah
We can sing what we want	So la da di da di
It's our party we can do what we want	We like to party
It's our party we can say what we want	Dancing (9) Molly*
It's our party we can love who we want	Doing whatever we want
We can kiss who we want	This is our house
We can sing what we want	This is our rules
Red cups and (4) bodies everywhere	And we can't stop
Hands in the air (5) we don't care	And we won't stop
'Cause we came to have so (6) fun now	Can't you see it's we who own the night?
Bet somebody here might get some now	Can't you see it's we who 'bout that life?
If you're not ready to go home	And we can't stop
Can I get a "Hell, no!"? (Hell no)	And we won't stop
'Cause we're gonna go all night	We run things, (10) don't run we
'Til we see the sunlight, alright	Don't take nothing from nobody
So la da di da di	Yeah, yeah
We like to party	It's our party we can do what we want
Dancing with Molly*	It's our party we can say what we want
Doing whatever we want	It's our party we can love who we want
This is our house	We can kiss who we want
This is our rules	We can sing what we want
And we can't stop	It's our party we can do what we want to
And we won't stop	It's our house we can love who we want to
Can't you see it's we who own the night?	It's our song we can sing if we want to
Can't you see it's we who 'bout that life?	It's my mouth I can say what I want to
And we can't stop	Say yeah, yeah, ehh
And we won't stop	And we can't stop, yeah
We run things, things don't run we	And we won't stop, oh
Don't take nothing from nobody	Can't you see it's we who own the night?
Yeah, yeah	Can't you see it's we who 'bout that life?

It's our party we can say what we want	And we won't stop
It's our party we can (7) who we want	We run things, things don't run we
