

## Fill in the gaps

Well, I woke up to the sound of silence	Carry on
The scars were cutting like knives in a (1) fight	May your past be the (18) of your feet upon the
And I found you with the bottle of wine	ground and
Your head in the curtains	Carry on
And heart like the fourth of july	Woah
You (2) and said,	My (19) is on fire
"We are not we are not shining stars"	But my legs are fine
This I know	After all, they are mine
I (3) we are	Lay your clothes (20) on the floor,
Though I've never been through (5) (6)	Close the door,
that	Hold the phone,
l've (7)(8)	Show me how no one is ever going to stop us now
(9) to know you can never (10)	Because we are
back	We are shining stars
If you're lost and alone	We are invincible
Or you're (11) like a stone,	We are who we are
Carry on	On our darkest day,
May your past be the sound of your (12) upon the	When we're miles away,
ground	So we will come
Carry on	We (21) our way home
Carry on, (13) on	If you're lost and alone
So I met up (14) some friends at the edge of the	Or you're (23) (24) a stone,
night	Carry on
At a bar off 75	May your past be the sound of your (25) upon the
And we talked and talked about how our	ground and
(15) will die	Carry on oh on on oh ohh oh oh oh oh
All our neighbors and wives	oh ohh oh oh oh oh
But I'd like to (16) I can cheat it all	No one is (26) going to stop us now
To make up for the times I've been cheated on	No one is (27) (28) to stop us now
And it's nice to know,	No one is ever going to stop us now
when i was left for dead,	
I was found and now I don't (17) the streets	
I am not the ghost you want of me	
If you're lost and alone	
Or you're sinking like a stone,
